Chairman's Report

Welcome to the 34th AGM of WAM. Thank you for making the effort to attend this meeting here tonight. .

Next to all of the Groups Observers in recognition of the time they have given to ensure the development of their own and the skills of others.

The Group has attended numerous Including Wombourne Carnival, The City show, Himley classic car and transport show. Dudley Safer driving for longer, and J.L.R plant.

We have arranged to do a joint presentation with Kidderminster group to U3A.

Thanks must go to Nigel, for arranging these events, and also guest speakers at our group nights. We have had a year where the group is still solvent and just carrying on. Sadly in spite of our best efforts more or less stood still if not potentially shrunk if we actually count actual members or tests passed by Associates of our Group.

As the evening progresses there will be an opportunity for you if anyone else would like to take on one of the Groups Officer roles of Chairman, Secretary or Treasurer. We would like you to come forward with you voting paper as a few influx of views and talent is always welcome within our

Group. Please don't be moving your chairs backwards we genuinely your Group need you so please show your commitment today.

Treasurers' Report.

Graham Foulkes (Treasurer) reported on the group accounts in some detail, and invited questions from members present. None were forthcoming.

Thanks were extended to Ray Kenna (FCA) for compiling and auditing the accounts of the group. Thanks also to Paul, for his leadership, and all the work that he has carried out over the past year.
