2 Matters Arising

The minutes of 6th December 2017 were agreed as a true record, proposed by Tony Robson and seconded by Paul Williamson.

3 Chairman's Report

Paul wished all at the meeting a Happy New Year and requested that all matters other than discussions regarding the Paddy Hopkirk and David Gallagher Evening be kept to a minimum to ensure adequate coverage for the event on 10th January 2018.

3.1

Though not initiated by the Chair the following was felt relevant to be placed at this point in these Minutes.

A communication had been received by Paul Williamson overtly criticising his control of the Committee and Wolverhampton Advanced Motorists Group. A copy of this communication was not available for review however the basic material content of the communication was discussed and agreed by all present at the meeting to be unfounded and incorrect in all fundamental respects.

In order to ensure that there was no misunderstanding in this matter, or the feelings of the Group Committee, vote of confidence in the Chair was proposed by Nigel Packer and seconded by Tony Robson. A vote was taken and a unanimous vote of confidence in Paul's position as Chair of the Group was received and is noted here.

It was determined that the matters raised within the communication should now be considered to be now resolved in that there was no lack of confidence in Paul's style of control of the Group Committee, development of the Group and/or support for the Group and the Committee. It was additionally agreed that no formal response be sent to the originator of the communication as this would be likely to extend the issue rather than close it.

3.2

Following the Vote of Confidence obtained above Paul now felt that he was positioned to provide appropriate input for the forthcoming Group Newsletter.

Deliberately Left Blank

4.1

David Barley, Michael Brooks and Sean Mullen have agreed to receive their Certificates at the Paddy Hopkirk evening scheduled for 10th January 2018.

At the time of this meeting Sean Mullen had not booked for the Event, Jonathan agreed that he would forward an e-mail chase to provide a prompt.

5 Treasurers' Report

Current account status is as below:

Group Accounts Statement	
Current Account:	£1,126.17
Social Account:	£162.03
Deposit Account:	£1,552.49
Total:	£2,840.69

It was agreed by all that the Group Accounts remain in good order.

5.1

Paul advised that cheques to value £275 had been issued to the Mercure Goldthorn hotel to cover the hire of the room and the provision of refreshments for the event scheduled for 10th January 2108

It was anticipated that through the sale of tickets for the above event that we would raise around £180; that through support from the local Mini Dealership we would receive a further £50 and that through the Tombola to be run on the evening we should recover the balance of the monies so far expended.

5.2

The transfer of the accounts from Graham Foulkes to Christine Westwood is yet to be completed though it is nearing finalization. (There had been delays as a result of the complexity of the on-line documents required by Lloyd's Bank). It was agreed by all that this matter must be resolved as a matter of urgency as the transition had already taken longer than anticipated.

5.3

Christine asked whether it would be acceptable to issue receipts for payments electronically, this was agreed as the majority of Members were now on e-mail. Christine additionally asked whether we would consider the use of Internet Banking for the Group, it was agreed that this should be investigated with the clear caveats that the facility be agreed as being secure.

5.4

Though not discussed at any length Jonathan advised that payment management services available on the internet such as Eventbrite, (that which we used for the sale of tickets for the PH and DG Event), required that the payment account have a full address and not be a PO Box location.

As our current account has such a PO Box address we need to consider changing this once Christine has fully adopted the Treasurers role.

In the meantime, Jonathan agreed that he would provide access to an account for the receipt of the monies received from ticket sales and that on receipt of those monies they would be transferred immediately to the Group Account.

6 Chief Observer Report

A Taster Drive was undertaken with Simon Ward, it was understood following his drive that he was not intending to progress to becoming an IAM RoadSmart Member and as such Tony will pass his details back to IAM RoadSmart.

6.1

It was confirmed that David Gallagher was now a Local Observer and showing as such on DTE

6.2

Peter Jordan has not yet submitted his IMI LO Qualification Registration. As such he cannot act in any manner as an Observer without this form being submitted and recognised. In this Roy is to chat with Peter to establish his status. In this it was understood that there may be secondary issues that need to be taken into account regarding Peter's progress at this time).

6.3

Alan Bates is to take his NO Test on 25th January 2018.

6.4

Roy Richards is to take his NO Re-qualification on 25th January 2018.

6.5

Roy advised that he was willing to attend the Region 4 IAM RoadSmart Meeting to take place on 21st April 2018. Jonathan agreed that he would also attend on behalf of the Group.

6.6

It was noted that as yet no contact had been made with Edward Connett. In this Nigel is to send an e-mail with a view that this matter should be taken up at the next Committee Meeting in February should no positive actions be taken by Edward to move his Associate Status forward.

6.7

It was noted that no further contact had been made with Pam Dawson. In this Nigel is to send an e-mail with a view that this matter should be taken up at the next Committee Meeting in February should no positive actions be taken by Pam to move her Associate Status forward.

6.8

Roy queried the current Committee Member listing as shown on DTE. Tony agreed that he would check the information being shown and ensure any corrections necessary were applied by IAM RoadSmart.

7 Associate Controller's Report

The Observer Associate Status Report maintained by Nigel and Jonathan was circulated reflecting the current actual state of the Associates within the Group.

7.1

Though not at this time either an IAM RoadSmart or a Group Member Stephen Hare is continuing his discussions about his intentions to take his Masters. The Group position in this is that though he has his Riders ADT that was taken some time ago and that he would be best served to do his ADT prior to taking his Masters. In this matter Roy is to have a further discussion with Stephen.

7.2

Paul Williamson has now taken Sandra Ingram as an Observer.

7.3

Associate Presentation Attendance

7.4

Further to the initial discussions at the June 2017 Committee meeting Jonathan suggested that WAMG generate a short “introduction to Advanced Driving” video. Paul mentioned that he was aware of and had access to various “previous” videos however they were clearly out of date both in terms of content and in terms of image and brand, they may present a format to modify which is a good deal easier than starting from scratch.

It was agreed that such a video would be useful when new Associates sign-up explaining the process of progressing from an Associate to a Full IAM RoadSmart Member.

8 Membership Secretary’s Report

Current position of the Group is:

- 64 Full Members
- 10 Associates
- 2 National Observers (Both LOA’s)
- 10 Local Observers
- 1 Observers under Instruction

9 Newsletter Editors’ Report

The closing date for input for the Spring Newsletter has been extended to 1st February 2018. At the time of this meeting there were still some contributions outstanding. In this also see 3.2 of these Minutes.

10 Web Administrators Report

Jonathan reported that because of the interest being generated in the Paddy Hopkirk and David Gallagher Event Facebook activity has increased. Details shown in Appendix 1 to these Minutes.

10.1

Updates have been posted throughout December on the web site however a positive request was made for photographs and a few words on any activities that are supported by or run for the Group. It is important that the material on the News Page be maintained as fresh and current so feedback from Group Monthly Meetings, Shows &c are important. Such details should be sent to Jonathan for inclusion on the web-site.

11 Publicity and Events Co-ordinator's Report

Following some previous concerns about access to venues for various meetings throughout the course of 2018 it was understood from Paul that we now had continuing free access to room space at The Holiday Inn and at The Friends Meeting House. With this in mind it was agreed that Paul should "book" all future Committee, Observer and Associate Meetings at The Holiday Inn with all Monthly Group Meetings being booked for The Friends Meeting House. Dates are to be provided by Paul for addition to the Events Diary on the web site.

11.1

Jonathan advised that tickets had been made available on Eventbrite for the forthcoming Paddy Hopkirk and David Gallagher Event on 10th January 2018. These tickets had been available for sale from 27th December and were being sold at £3.00 per ticket for Visitors and £2.20 per ticket for WAMG Members. Details of attendees and tickets sold as of the date of this meeting are shown in Appendix 2 to these Minutes.

As a result of additional e-mails being sent by Jonathan a number of other local Groups are now supporting this event.

Nigel agreed that he could provide an appropriate drum for the prize selection to be made from on the evening.

11.4

Paul to liaise with Rybrook Wolverhampton Mini with regard to their supporting the Paddy Hopkirk and David Gallagher Event on 10.1.2018. It is understood that they will likely provide not only a car but also a capable and knowledgeable Mini "genius" for the evening.

Taster Trifolds and RoadSmart ADT Leaflets are to be made available for the evening of 10.1.2018. In this Jonathan is to produce a Mini Oriented Taster Trifold.

11.6

It was agreed that we should be positioned to offer a limited number of discounted ADT Courses at the Event. It was seen that we would offer five at £125 rather than the normal £149. Jonathan is to liaise with IAM RoadSmart to ensure that this was acceptable and how the process would work.

11.7

It was understood via Roland Sellors that his friend Chris Nutt, (a professional photographer), was willing to attend the Paddy Hopkirk and David Gallagher Event to photograph and produce prints as required on the evening at cost only.
